**About Crunchfish – [crunchfish.com](http://crunchfish.com)**

Crunchfish is a tech company with patent-pending solutions for digital cash that can be integrated with both the payment rail and in mobile wallets. The solutions are globally scalable and makes digital payments more robust as the risks of disruptions and downtime are eliminated. We have also developed Blippit, an app terminal that connects to cash register systems for both online and offline payments, and have a patent-pending solution to reduce food waste. Crunchfish also develops gesture control of smart AR glasses for the consumer market. Crunchfish is listed on Nasdaq First North Growth Market since 2016, with headquarters in Malmö, Sweden and with representation in India.
