Crunchfish gives investor presentation at Aktiedagen in Lund on January 27

On Wednesday, January 27, at 2:30 pm – 3:00 pm CET, Crunchfish participates at Aktiedagen in Lund, a digital investor meeting arranged by Aktiespararna.

Crunchfish's CEO Joachim Samuelsson will present the company on the theme [Solving for the future](#), with focus on [Digital Cash](#) and how our partner strategy will accelerate market roll-out and revolutionize digital payments. It's free to participate at this investor meeting and it will be broadcast live on [Aktiespararna's website](#) as well as on [YouTube](#). The presentation will be given in English and will also be available afterwards.

About Crunchfish – crunchfish.com

Crunchfish is a tech company with patent-pending solutions for digital cash that can be integrated with both the payment rail and in mobile wallets. The solutions are globally scalable and makes digital payments more robust as the risks of disruptions and downtime are eliminated. We have also developed Blippit, an app terminal that connects to cash register systems for both online and offline payments and have a patent-pending solution to reduce food waste. Crunchfish also develops gesture control of smart AR glasses for the consumer market. Crunchfish is listed on Nasdaq First North Growth Market since 2016, with headquarters in Malmö, Sweden and with representation in India.
